That it is reasonable to expect that _____ existing jobs will be retained and _____ new jobs will be created as a direct result of the project.

That the jobs to be retained and created, at least 51% shall be of a skill level available to entry-level personnel.

Such skills are those that can reasonably be expected to be acquired on the job in a period of less than one year.

The applicant agrees to make reasonable efforts to make available future job openings to persons of low or moderate income, as defined by the following guidelines:

# in Household	Total Household Income
1	\$38,100

4	\$54,400
5	\$58,750

The applicant further enters into a good-faith commitment to meet the City of Wilmington's minimum goals for hiring as put forth in the City Council Ordinance No. 81-095. That ordinance states that it is the policy of the City of Wilmington that there is a goal of achieving a hiring rate of a minimum of 25 percent or more City residents/minority group members and/or low/moderate income persons for all positions created by or through the City's Economic Development Loan Programs. The policy applies to the permanent work force, but does not apply to the employment of and by construction contractors since this area is covered by other agreements.
